We do not accept credits in physical education, driver's education, religion, performing arts (choir, band, etc.) and ROTC. Official transcripts must come directly from the issuing high school in a sealed envelope. Transcripts will be considered unofficial if the envelope has been opened. You may send a copy of the transcripts with your enrollment application or you may contact your previous high school(s) to request the transcript(s) be mailed to us. We will contact you once the transcript has been evaluated to inform you of the results and of any possible changes to the enrollment contract.

Check here if you have previously sent your transcript to American School for evaluation.

NOTE: You must complete at least 5 units of credit with American School and fulfill all graduation requirements in order to be eligible to earn an American School diploma. Graduation requirements are listed on page 4 of this application. Students must complete all diploma requirements within six (6) years of the original enrollment date. Graduation requirements may change if a student does not complete all requirements within that timeframe.

Illinois Residents: Per 325 ILCS50/Missing Children Registration Law, all students residing in Illinois are required to submit a birth certificate in order to enroll. In addition, all students residing in Illinois are strongly encouraged to complete the Public Law 195 Exam covering the U.S. and Illinois Constitutions plus flag etiquette because the exam is required by public schools in Illinois and is an entrance requirement at the majority of Illinois-based community colleges.

STUDENT'S RIGHTS AND RESPONSIBILITIES

The cost of tuition includes all study materials, grading services, access to the Online Student Center, and postage to U.S. locations.

Students must earn a minimum of five (5) units of credit with American School in order to obtain an American School diploma. The price of the program depends on the ability of American School to verify the number of credits you have claimed through transcripts from schools attended. The school agrees to make an allowance for previous high school credits except for physical education, driver's education, religion, performing arts (chorus, band, drama, etc.) or ROTC. You will be given a \$200.00 tuition reduction for each full unit of verified transfer credit.

American School agrees to allow you up to six years to complete the requirements of this program following the guidelines established on page two (2) of this contract. Students can have a maximum of six (6) one-year contracts.

Upon successful completion of all academic and financial requirements, a diploma from American School, a school which is accredited by the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools (MSA-CESS), the National Council for Private School Accreditation (NCPSA) and Accreditation International (Ai), and is recognized as a non-public secondary school by the Illinois State Board of Education, will be awarded to you.
